June 6, 2010

Present

1. Security Improvement Plan - The board discussed a proposal to install security cameras in the café, and decided to remind Karim that the back doors must stay open when a bartender is present.
2. Chairs - The board decided to remind Karim that the co-op owns the chairs in the back room, and that the co-op should be consulted when chairs need repair. If the chairs can't be repaired the co-op will replace the chairs.
